Nishith,

Could Joe inspect all pavers in case there are more than 3 that are cracked – so that we can ask Wausau for the correct number of replacement pavers?
It would be good if Joe could take pictures of the damaged pavers.

Nishith,
I have 6 pallets with 15 pavers and 1 pallet with 13 pavers. They are in the North hollywood yard. I can only see that 3 have cracks. I cant see the whole paver so there could possibly be more that are damaged.

Jose,

Joe - Since the tiles are at the yard, can you respond to Jose with an approximate number per pallet.

Thanks.

Joseph and Nishith,

Wausau Tile has this question:

Can you tell me how many pavers are on each pallet including the 3 cracked ones?

Jasmine,

Attached are the purchase orders for the pavers signed by BSS at time of delivery acceptance, stating the number and condition of the order.

Thanks.

Hello Jasmine and Jose,

Our crews confirmed that the tiles were delivered to our yard yesterday 4/10. However, three tiles were already broken at the time of arrival. Could you pass this information to the vendor before/during the payment process so that we can have replacement for the tiles?

Thanks,

Lawrence Lin
